

REGISTRATION SINGING IN CUBA 2019

Upon submission of this form plus payment of the required deposit of \$200, I register for the 2019 Singing tour of Cuba, sponsored by Vision Travel Ltd. I understand that because this is a musical tour, if I register as a singer, I will be required to rehearse for up to three hours per day for six days. I also agree to participate in all performances. This is a fun tour. No auditions are required, no experience is necessary, and it is not necessary to be able to read music.

Repertoire is arranged by the Director to be mastered, and performed within a week with no great stress to the singers.

Increasingly, the organizers are adding more Cuban Repertoire. Most of the arrangements are scored for 3 voices. Performances will be in genuine Cuban venues before a Cuban audience in the Santa Cruz El Norte region of Cuba.

We look forward to your participation_
